FlySafair®

Inflight delight

The image features two hands holding clear glass Coca-Cola bottles, clinking them together in a toast. The bottles are filled with a dark, bubbly liquid and have condensation on their surfaces. The background is a clear, bright blue sky. The Coca-Cola script logo is overlaid in white across the center of the bottles.

No more looking around for change – we've gone cashless

Ways to pay: You can purchase any of our delicious refreshments using credit or debit cards, or a FlySafair snack voucher. We accept all Amex, Visa, MasterCard and Tap-To-Pay options. Unfortunately, we no longer accept cash. Refunds will only be given for defective items purchased and paid for on-board by card. For all other queries, contact Customer Care. **Customer Care:** help@flysafair.co.za or call or WhatsApp us on 087 357 0030. **Please note:** We reserve the right to make any changes to payment methods at short notice. A pre-purchased snack voucher does not guarantee/reserve any items on the inflight menu.

Please note: All items on our menu are subject to availability. Products may vary from images shown, which are for illustrative purposes only. Menu items may contain, or have come into contact with, nuts. If you would like more product or allergy information, please chat to one of our friendly cabin crew. By law, we are prohibited from selling alcohol to anyone under the age of 18. Passengers are allowed to transport alcohol in the cabin, but consumption of your own alcohol on board is strictly prohibited. The **early bird flights** out of Durban exclude any fresh snacks. Sorry, the early bird doesn't catch the sandwich, but we do have yummy muffins on offer!
